RECESS

SPEAKER WITHEM PRESIDING

SPEAKER WITHEM: (Microphone not activated.) ...George W. Norris Legislative Chamber. Members, would you please return to the Chamber and record your presence. (Microphone not activated.) ...Chamber has far better attendance at this point than the south side of the Chamber. Senator Wesely is coming in to help redress that. We need about three or four more senators to begin the afternoon activity. If you could come back and check in, please. Record, Mr. Clerk.

CLERK: I have a quorum present, Mr. President.

SPEAKER WITHEM: Quorum is present. We will return to the consideration of LB 885. Before I ask the Clerk to bring us up-to-date, I would indicate to the body that as I recall there were a couple of lights turned on when we recessed. They...the lights got turned off, so people are going to have to punch their lights again to be recognized to speak. We are considering LB 885. We considered it for 14 minutes prior to recess, so there will be 16 minutes from the time that the first speaker is recognized. Mr. Clerk.

CLERK: Mr. President, right before that, if I may, just a few items. Bills read on Final have been presented to the Governor this morning. (Re. LB 647, LB 1074, LB 1074A, LB 1250, LB 1287, LB 1287A, LB 1306, and LB 1306A.) Enrollment and Review reports LB 1224, LB 1224A, and LB 1364 to Select File, some of those have E & R amendments. (See pages 1749-50 of the Legislative Journal.)

LB 885, Mr. President, the committee amendments offered by the Revenue Committee are still pending.

SPEAKER WITHEM: On the committee amendments, Senator Wickersham, followed by Senator Hall.
